2) The L.L. Secretary states that the action taken by the Dy. Dated Bangalore, 9th March 1925.

To

K. V. Anantaraman, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

Adverting to your letter No.1699/M.F.59-22-30 dated 21st May 1924 regarding the payment of certain instalments towards the liquidation of the loan of Rs.14000/- alleged to have been contracted by the late Swami of Bheemanakatte matha with the Javali family Bank of Tirthahalli I have the honor to forward herewith copy of letter O.C.No.1052/Rev.22-23 dated 4th March 1925 from the Deputy Commissioner, Shimoga District, -- soliciting sanction for the payment of Rs.1000/- with interest, being - the 8th instalment in liquidation of the loan of Rs.14000-0-0.

2. The Deputy Commissioner states that the debt is a bona fide one and is dischargeable in terms of the registered Deed. In view of the observations contained in your letter of the 21st May 1924 to the effect that in a case of this nature it is advisable that the matter should be left to the permanent successor to make enquiries regarding the legal - necessity for the loan and take such action as he will think proper, I request you to be so good as to consult the Secretary to Government in the Legislative Department about the binding nature of the claim upon Government who have been in temporary management of the matha properties pending the appointment of a successor to the late Swamigalu and to favour me with a very early reply whether the payment of the eighth instalment of Rs.1000/- with interest may be authorised.

3. The file of vernacular papers is submitted for reference and kind return.

I have the honor to be,

S i r,

Your most obedient servant,

C S Balasundaram

Muzrai Commissioner.

Letter No.O.C.1052/Rev.22-23 dated 3/4th March 1925 from the --- Deputy Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

In continuation of my letter No.O.C.1052/Rev.22-23 dated 12th June 1924, regarding the payment of the loan contracted by the late Swamigalu of Bheemanakatte Matha with the Javali Family Bank Thirthahalli, I have the honor to forward herewith the file ending with the Thirthahalli Sub - Division Officer's No.H.C.74/22-23 dated 11th February 1925 soliciting -- sanction of the bill for Rs.1000/- with interest being the 8th instalment in liquidation of the debt of Rs.14000/-,

2. From the previous correspondence it will be seen that since the Matt and its properties came under Government Management, two instalments have been paid. This is a liability which finds a place in the list submitted with this office letter No.O.C.75/Rev.22-23 dated 21st September 1922. As trustee of the Matt, I have been filing and contesting suits in the Civil Courts both inside and outside the State and as such this liability of the Matt also has to be discharged in the interest of the Matt itself. I have explained in my above quoted letter how ~~it~~ this is a legitimate debt which the Matt is bound to discharge according to the terms of the registered - deed. Non.payment of the instalment on the score that it should be left to the permanent successor to make enquiries regarding the legal necessity for the loan and to take such action as he would think proper, will only end in litigation and payment of penal interest. Besides two instalments have already been paid by me as trustee. This instalment cannot now be withheld and the trustee would not have discharged his legitimate duly -- regarding the trust. In these circumstances I request that sanction of Government might kindly be obtained for the payment of the eighth instal- ment with interest up to the date of payment as also to be payment of the future instalment without making a reference every time. The instalment is already overdue since it had to be paid on the 24th February 1924.

I therefore solicit the favour of early orders in the matter. At the end of December 1924, it is requested that there was a sum of Rs.9535-8-6 at the credit of the institution."
